Blood Risings Begin A Mere Speck

Stop Them From Growing Large and Dangerous.

Nearly everyone who uses S. S. S. for the blood recalls a friend who went through untold suffering as the result of a mere pimple or small blood rising. A host of people did not realize, until too late, what may result from a slight akin abrasion. But they recovered if they used S. S. and in almost every village and hamlet, every crossroad and away back off the road is someone who will tell you how S. S. S. the famous blood purifier, restored his health.

It is a most interesting fact that this remarkable vegetable medicine overhauls the blood in a manner that excites curious minds.

But it acts in accordance with accepted physiological laws and yet its cflect is almost beyond comprehension to those who are wedded to such drugs as mercury, calomel, arsenic, iodide of polash, copper and other baneful influences which all the world bears silent testimony to their destructive tendencies.

S. S. S. Is indeed a nature's tribute.

Rome, July 26.—Confident that the
Austrian stronghold of Gorisia will
soon fall into the hands of the
Italians, King Victor Emmanuel has

With the Italian infantry attacking the Austrian trenches, the heaviest artillery of the invaders has been pounding away against the Gorizia fortress night and day in one of the most violent bombardments vet seen the Austro-Italian theater

There has been severe infantry fighting around Sellaso-Dogna, in the Carnic Alps, where the Austrians attacked the Italian positions. In the Monte Nero zone, north of Tolmino, the Austrians are again attacking the Italian positions and are heavily without gaining any advantage.

Can't Get Re-enforcements. On the Carso Plateau severe trench fighting continues. According to an authentic report from Milan, the Austrian general staff

Dismounted cavalrymen are fighting in the trenches alongside the regular infantrymen. There is a steady stream of Austrian prisoners passing through to the Italian rear. Supervisors Say Highways Are Costly. Merchants Plan Testing Constitutionality of Omitted Taxes Law.

Alexandria, Va., July 26.-G. Washingon Lewis, secretary of the Alexandria Automobile Club, today urged the board of supervisors of Fairfax County, on behalf of the club, to abolish toll gates in the county. The board told Mr. Lewis the gates had to be maintained to pay for new roads. It was stated, however, that as soon as they can be abolished without a financial loss the move will be made. Fairfax County recently has spent approximately \$200,000 in the construction of new and modern roads

the county.

To pay for the up-keep of these roads the supervisors deemed it expedient to establish toll gates. Four probably will be put up in the county. Three will be in the vicinity of Falls Church, and it is also proposed, it is reported, to erect one in Mount Vernon district.
